Giloy Tulsi Ras

Giloy Tulsi Ras

Trikara Giloy Tulsi juice is made from a mixture of Neem Giloy and Tulsi extracts. This juice is a natural immunity booster that will increase the body's immunity. Giloy, which grows on the Neem tree, is said to have the highest medicinal properties as it also absorbs the properties of neem. Neem is known to help purify blood, prevent particles that harm the body, remove toxins, treat insect bites and ulcers. If all these qualities of neem are combined with the properties of Giloy and Tulsi, then this natural juice can help in preventing many diseases.
